

Tasty Nature

TAFLO AT SANA 2018

TAFLO, a leading company in Italy in the production of **organic dehydrated vegetables** and **free-from products**, will exhibit at SANA, the International Exhibition of Organic and Natural Products taking place in Bologna from 7 to 10 September 2018

Pojana Maggiore (Vicenza) – 7 August 2018. Our latest creations will be on show in the **SANA Novità** area: **Aromy Organic Pomegranate Tea**, a brand new infusion made from dehydrated pomegranate seeds which is rich in antioxidant properties and health-promoting nutrients, and **Aromy dehydrated Radicchio Rosso di Treviso PGI**, a ready to use free from product which makes this delicious winter vegetable available throughout the year and is suitable for preparing risotto and other gourmet dishes.

In our **booth A01, Hall 21**, we will show our new products as well as the whole range of *Aromy dehydrated vegetables for risotto, pasta and soups*, the original *Brodo mio vegetable broth*, a broth that you prepare the same way as tea, and **Aromy vegetable teas and decoctions**, a unique line of infusions made **exclusively from vegetables**, such as red radicchio, artichoke, celery and other tasty produce rich in beneficial properties. Aromy vegetable teas and decoctions will be showcased in a new colorful assorted mixed box.

AROMY® products are 100% natural and **gluten-free**. They contain **no chemical additives, no preservatives, no colouring** and are **GMO-free**. They are ideal for people suffering from food intolerances and for vegan and vegetarian consumers.

Take part in the **tasting event** which will be held in our booth on the last day of the exhibition, **on September 10, from 10 to 12 a.m.** Come and enjoy a cup of **pomegranate tea**, our latest creation, or a cup of digestive and depurative **artichoke tea**... enjoy the health benefits of *Tasty Nature*!
